ABOUT COMPANY

SPT IMPEX is a young, dynamic and leading manufacturer and exporter of Cashew Kernels, Natural Disposable Tableware and other eco-friendly products in India, established in the year 2018.

We are a registered partnership firm with the partners having immense experience in manufacturing & export Cashew Kernels, Natural Disposable Tableware and other eco-friendly commodities.

Our range of nature friendly products includes **Areca Palm Leaf Disposable Tableware** (made out of naturally shed areca plant leaves), **Sugarcane Bagasse Disposable Tableware** (made out of sugarcane pulp fiber) which are 100% free from chemicals & toxins, fully bio-degradable & compostable.

Our other eco-friendly range of products includes Compostable Bags (made out of plant fiber), **Wooden Cutlery, Craft Paper Cups & Bowls, Paper Straws, Cotton Duster Cloths** etc.
