Prestige

At **Grupo Kalise Menorquina** (GKM) we specialise in the production and distribution of ice creams and dairy based desserts.

GKM was created in 1999 when our two main trading companies merged: **Menorquina**, established in 1940, and **Kalise** established in 1960.

SPAIN'S PREMIER ICE CREAM PRODUCER

- ◆ We are Spain's premier ice cream producer.
- ◆ We are the only producer with two factories in Spain. They are located in:
 - Las Palmas de Gran Canaria.
 - Palau-solità i Plegamans (Barcelona), considered one of the most modern and efficient ice cream factories in the European Community.

EXTENSIVE DISTRIBUTION NETWORK

- ◆ We operate with a network of:
 - 26 GKM distribution centres,
 - more than 100 independent distributors in Spain and Portugal,
 - over 200 partners across the world.

The foundations of our business are the quality of our products and the service levels we provide across our distribution network.

WITHOUT LIMITS

- ◆ Our experienced export team has a thorough knowledge of many markets and can adapt products to suit a large range of tastes and traditions.
- ◆ Our brands are present in more than 35 countries.

INNOVATION & QUALITY

- ◆ Product quality and food safety standards are our main concerns.
- ◆ We source only the best ingredients from recognised and audited suppliers.
- ◆ All our production plants have the highest levels of accreditation.
- ◆ Our constant investment in technology ensures an active programme of innovation and product development.

It is, however, the loyalty of our customers and partners throughout the world which provides us with the strength and security to continue our strategy of solid and sustainable expansion.
